

CONGRATS ON **50** YEARS

The Moody Williams Appraisal Group congratulates our namesake, Ron Moody, on his 50th anniversary as a real estate appraiser and a designated member of the Appraisal Institute.

In addition to a busy trial calendar for eminent domain issues and complex real estate appraisals, Ron Moody has proudly served as the President of the East Florida Chapter of the Appraisal Institute. With that organization he has achieved the MAI and SRA designations. He is the past chairman (2020/2021) of the Downtown Investment Authority (DIA) and served seven years on the Board. Ron is still very active as Chief Executive Officer of the Moody Williams Appraisal Group and continues to inspire the next generation of real estate appraisers.
